

# **MBYLL Philosophy**

## **Our Mission:**

- Create a weekly match schedule for member teams to compete.
- Promote the growth of the game of lacrosse throughout Eastern Massachusetts.
- Cultivate and assist additional towns to start youth lacrosse programs.
- Train coaches and officials.
- Establish & lead efforts creating organization & guidelines to support towns in providing a safe & meaningful experience for all.

## **Philosophy:**

There are no standings kept, no league championship or playoffs. We play all players as equally as possible with the goal of teaching the sport and providing a fun experience for all involved.

We police ourselves in the effort to provide an outlet for kids that has not been swept up in the pressure filled, win at all cost mania that is too present in today's youth sports. Any conduct perceived to be contrary to the best interests of the MBYLL and it's youth participants should be referred to the Regional Competition Committee.
